Contact: 079 923 1400

Address: North West University, Potchefstroom Campus, North West, South Africa

## 1. PERSONAL INFORMATION

Surname	Potgieter
Name	Hendrik Fick Renaldo Potgieter
ID Number	(Censored)
Nationality	South African
Languages	Afrikaans and English
Driver's License	Code B

## 2. PERSONAL PROFILE

I am an independent, hardworking and creative individual who is also reliable and has developed a responsible and ethical approach to the tasks that I undertake or any given situation I am placed in. I am excellent with working and communicating in a team. I believe in integrity and strong moral values and that an individual should strive to be successful not only in their career but also in their personal life. I also believe that everything you tackle you can be successful in if you do it with a positive manner and with hard work.

## 3. CAREER OR GOAL OBJECTIVE

I am looking for an opportunity to grow and learn in my field of study. I understand that there is still much to learn, and I am willing and eager to learn new things. I like to solve complex problems and I try to solve them in a creative, unconventional way. When a problem grips me, I push myself to find a solution and I will not be satisfied until it is resolved. I am a hardworking, focused and disciplined individual with a big amount of will power. I have the correct amount of computer, communication and teamwork skills to be appointed this position.

## *5.4 INTEREST AND HOBBIES*

Music: I do enjoy listening to music, but I also play instruments such as the guitar.

Woodworking: I enjoy working with wood and building furniture for my family and friends.

Sport: I enjoy watching sport, but also playing it casually. I enjoy playing any form of team sport for my hostel.

Technology: I enjoy fixing any broken technology and I like to take things apart to see how they work. I built my first personal computer when I was in grade three and it has been a passion ever since to tinker with technology. I also watch technology news to stay on top of any new technology in the industry.

Reading: I enjoy reading and I try to read when I have time.
